

3 Days Agenda for Training on Cancer Screening

Coordinator: Dr. B. Thirumala Rao , Nodal officer Oncology Unit , GMC Ongole		Preventive	Venue: Lecture Gallery- 3 First Floor, GMC Ongole	Time
Day 1(28.05.2024) Tuesday				
	Registration		Online Registration	9AM TO 9.15 AM
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam and Dr.S.N Murthy DCHS Prakasam District and S. Bhagiradhee NCD Programme officer Prakasam District			9.15AM TO 9.30AM
Session 1	Pre-test		Online	9.30AM to 10AM
Session 2	Introdcution to Cancer Screening Program	Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole,		10 AM to 10.45AM
	Medical Oncology-Brief modes on treatment and common side effects			
Session 3	Radiation Oncology -Brief modes on treatment and common side effects			
Session 4	NCD Program in AP	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit		10.45AM to 11.30AM
	Burden of the Cancers in India and Andhra Pradesh			
	Pathway of the screening and referral system (forward and b			
	Target Population for Screening			
	Frequency of Screening			
	Oppurtunistic Screening			
Tea Break				11.30AM to 11.45 AM
Session 5	Anatomy of Oral Cavity	Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxillo facial Surgery		11.45 AM to 1 PM
	Risk factors for Oral Cancers			
	Oral Pre cancersous lesions			
	Screening Oral cavity for Cancers			
	Oral Visual Inspection			
	Video			
	Case Scenarios			
Lunch Break				1PM to 1.45PM
Session 6	Anatomy of Breast	Dr S. Sri Harsha Associate Professor General Surgery		1.45 PM to 3PM
	Risk factors for Breast Cancers			
	Sign and symptoms of Breast Cancers			
	Pre cancersous lesions or Conditions			
	Screening for Breast Cancers			
	Breast Self Examination			
	Video			
	Case Scenarios			
Tea Break				3PM to 3.15 PM
Session 7	Radiology	Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology		3.15 PM to 3.45 PM
	Breast - Ultrasound and Mamography			
Session 8	Preventive Oncology	Dr A. Kishan Babu Assistant Professor Surgical Oncologist		3.45 PM to 4.30PM
	Importance of Screening			
	Motivation to undergo screening			
	Breaking the bad news			
	Prevention of Cancers			

DAY -2 (29.04.2024) WEDNESDAY			
Session 9	Anatomy of Cervix	Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	9.30AM to 10.15 AM
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Video		
	Case Scenarios		
Session 10	Group to be divided into 3 groups	Departments of Dental Surgery, OBG and Surgery Departments	10.15 AM to 1.15 PM
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
	On Rotation all groups to all 3 wards(60 min in each department)		
LUNCH BREAK			1.15 PM to 2PM
Session 11	Brief by 4 participants (5 min each)	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit	2PM to 3 PM
	Topic 1: Cancer screening program		
	Topic 2: Oral Cancer screening		
	Topic 3: Breast Cancer screening		
	Topic 4: Cervical Cancer screening		
Session 12	Pathology	Dr. S.Priya Madhooli Assistant Professor Pathology	3PM to 3.30PM
	Oral Cavity Slides		
	Breast - FNAC Report		
	Cervix - Pap smear		
Day- 3 (30.05.2024) Thursday			
Session 13	Hands on training to trainees in Oral Examination, Breast Examination and Cervical Examination Dr A. Kishan Babu Assistant Professor in Surgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT		9.30 AM to 11.30AM
Tea Break			11.30AM to 11.45AM
Session 14	Case Scenarios and discussions Dr A. Kishan Babu Assistant Professor in Surgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT and Dr. B. Thirumala Rao Nodal Officer		11.45 AM to 1 PM
LUNCH BREAK			1PM to 2 PM
Session 15	Surgical Oncology - Brief modes on treatment and common side effects	Dr A. Kishan Babu Assistant Professor Surgical Oncology	2PM to 2.30PM
Session 16	Discussions	All Faculty Preventive Oncology Unit	2.30PM to 3PM
Session 17	Post Test	Online	3 PM to 3.30 PM

3 Days Agenda for Training on Cancer Screening for Bapatla District (05.06.2024 to 07.06.2024)

Coordinator: Dr. B. Thirumala Rao , Nodal officer Oncology Unit , GMC Ongole		Preventive	Venue: Lecture Gallery -3, First Floor GMC Ongole	Time
Day 1(05.06.2024) WEDNESDAY				
	Registration	Online Registration	9AM TO 9.15 AM	
	Inauguration : Dr. A. Yedukondala Rao, Addl DME & Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr.S. Vijayamma DM& HO Bapatla District and Dr. A.V. Seshu Kumar DCHS Bapatla District , Dr. A. Hanuantha Rao CSRMO GGH Ongole Dr. T. Venkateswarlu District Immunization Officer Bapatla District and Dr. M. Sowjanya NCD Programme Officer Bapatla District			9.15AM TO 9.30AM
Session 1	Pre-test	Online	9.30AM to 10AM	
Session 2	Introdcutuon to Cancer Screening Program	Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole,	10 AM to 10.45AM	
Session 3	Medical Oncology-Brief modes on treatment and common side effects			
Session 4	Radiation Oncology -Brief modes on treatment and common side effects	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit	10.45AM to 11.30AM	
	NCD Program in AP			
	Burden of the Cancers in India and Andhra Pradesh			
	Pathway of the screening and referral system (forward and back)			
	Target Population for Screening			
	Frequency of Screening			
	Oppurtunistic Screening			
Tea Break				11.30AM to 11.45 AM
Session 5	Anatomy of Oral Cavity	Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery	11.45 AM to 1 PM	
	Risk factors for Oral Cancers			
	Oral Pre cancersous lesions			
	Screening Oral cavity for Cancers			
	Oral Visual Inspection			
	Video			
	Case Scenarios			
Lunch Break				1PM to 1.45PM
Session 6	Anatomy of Breast	Dr S. Sri Harsha Associate Professor General Surgery	1.45 PM to 3PM	
	Risk factors for Breast Cancers			
	Sign and symptoms of Breast Cancers			
	Pre cancersous lesions or Conditions			
	Screening for Breast Cancers			
	Breast Self Examination			
	Video			
	Case Scenarios			
Tea Break				3PM to 3.15 PM
Session 7	Radiology	Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology	3.15 PM to 3.45 PM	
Session 8	Breast - Ultrasound and Mamography			
	Preventive Oncology	Dr A. Kishan Babu Assistant Professor Surgical Oncologist	3.45 PM to 4.30PM	
	Importance of Screening			
	Motivation to undergo screening			
	Breaking the bad news			
	Prevention of Cancers			

DAY -2 (06.06.2024) THURSDAY

DAY-2 (06.06.2024) THURSDAY			
Session 9	Anatomy of Cervix	Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	9.30AM to 10.15 AM
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Video		
	Case Scenarios		
Session 10	Group to be divided into 3 groups	Departments of Dental Surgery, OBG and Surgery Departments	10.15 AM to 1.15 PM
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
	On Rotation all groups to all 3 wards(60 min in each department)		
LUNCH BREAK			1.15 PM to 2PM
Session 11	Brief by 4 participants (5 min each)	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit	2PM to 3 PM
	Topic 1: Cancer screening program		
	Topic 2: Oral Cancer screening		
	Topic 3: Breast Cancer screening		
	Topic 4: Cervical Cancer screening		
Session 12	Pathology	Dr. S.Priya Madhooli Assistant Professor Pathology	3PM to 3.30PM
	Oral Cavity Slides		
	Breast - FNAC Report		
	Cervix - Pap smear		
Day- 3 (07.06.2024) FRIDAY			
Session 13	Hands on training to trainees in Oral Examination, Breast Examination and Cervical Examination Dr A. Kishan Babu Assistant Professor in Surgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT		9.30 AM to 11.30AM
Tea Break			11.30AM to 11.45AM
Session 14	Case Scenarios and discussions Dr A. Kishan Babu Assistant Professor inSurgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT and Dr. B. Thirumala Rao Nodal Officer		11.45 AM to 1 PM
LUNCH BREAK			1PM to 2 PM
Session 15	Surgical Oncology - Brief modes on treatment and common side effects	Dr A. Kishan Babu Assistant Professor Surgical Oncology	2PM to 2.30PM
Session 16	Discussions	All Faculty Preventive Oncology Unit	2.30PM to 3PM
Session 17	Post Test	Online	3 PM to 3.30 PM

Session 5	Group 3: to ward for Cervical examination	Department of Preventive Oncology and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)	02:30 - 03:00
Session 7	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (15.06.2024) Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Profeseor ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist	09:30 - 10:15
Tea Break			10:15 - 10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-A , Agenda for Training on Cancer Screening Program - Primary Health care Providers 13.06.2024 to 15.06.2024 (3 days)

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A)	Time
Day 1 (13.06.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam and Dr.S.N Murthy DCHS Prakasam District and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcutio to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 - 11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancersous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr. Sk. Abdul Khaliq, DAS CHC Giddalur (Batch-A) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. K Priyanka OBG, MCH Ongole(Batch-A) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (14.06.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. K Priyanka OBG, MCH Ongole(Batch-A) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 - 11:00
	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination Group 2: to ward for Breast examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental Department	

Session 5	Group 3: to ward for Cervical examination	Department of Obstetrics and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)	02:30 - 03:00
Session 7	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (15.06.2024) Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoor ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist	09:30 - 10:15
Tea Break			10:15 -10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-B , Agenda for Training on Cancer Screening Program - Primary Health care Providers 13.06.2024 to 15.06.2024 (3 days)

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-4 , First Floor , GMC Ongole (Batch-B)	Time
Day 1 (13.06.2024) Preventive Oncology Team Observer: Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam and Dr.S.N Murthy DCHS Prakasam District and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introduction to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes	Dr. Narendra, Medical Officer Gotlagattu (Batch-B)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre-cancerous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr. G. Ramya, DAS, CHC Chimakurthy (Batch-B) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. B. Swetha ,OBG, CHC Chimakurthy (Batch-B) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (14.06.2024) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. B. Swetha ,OBG, CHC Chimakurthy (Batch-B) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 -11:00
	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination Group 2: to ward for Breast examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental Department	

Session 5	Group 3: to ward for Cervical examination	Department of Oral and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Narendra Medical Officer Gotlagattu (Batch-B)	02:30 - 03:00
Session 7	Hypertension	Dr. Narendra Medical Officer Gotlagattu (Batch-B)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Narendra Medical Officer Gotlagattu (Batch-B)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (15.06.2024) Preventive Oncology Team Observer: Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	09:30 - 10:15
Tea Break			10:15 - 10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Narendra Medical Officer Gotlagattu (Batch-B)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-A2 , Agenda for Training on Cancer Screening Program - Primary Health care Providers 18.06.2024 to 20.06.2024 (3 days)

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A2)	Time
Day 1 (18.06.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancerous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr. J. Chandrakala, DAS CHC Darsi (Batch-A2) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. S.L. Poojitha OBG, CHC Darsi (Batch-A2) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (19.06.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. S.L. Poojitha OBG, CHC Darsi (Batch-A2) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 -11:00
	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination Group 2: to ward for Breast examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental Department	

Session 5	Group 3: to ward for Cervical examination	Dental Department and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A2)	02:30 - 03:00
Session 7	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (20.06.2024) Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoor ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist	09:30 - 10:15
Tea Break			10:15 - 10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-B2 , Agenda for Training on Cancer Screening Program - Primary Health care Providers 18.06.2024 to 20.06.2024 (3 days)

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-4 , First Floor , GMC Ongole (Batch-B2)	Time
Day 1 (18.06.2024) Preventive Oncology Team Observer: Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introduction to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes	Dr. Narendra, Medical Officer Gotlagattu (Batch-B2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 - 11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancerous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr. SK Abdul Khaliq, DAS, CHC Giddalur (Batch-B2) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
Lunch Break			01:00 - 02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. Rekha Devi, OBG CHC Podili (Batch-B2) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 - 04:00
Tea Break			04:00 - 04:15
Recap of Day 1			04:15 - 04:45
Day 2 (19.06.2024) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. Rekha Devi, OBG CHC Podili (Batch-B2)/ Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 - 11:00
	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination Group 2: to ward for Breast examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental Department	

Session 5	Group 3: to ward for Cervical examination	Dental Department and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Narendra Medical Officer Gotlagattu (Batch-B2)	02:30 - 03:00
Session 7	Hypertension	Dr. Narendra Medical Officer Gotlagattu (Batch-B2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Narendra Medical Officer Gotlagattu (Batch-B2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (20.06.2024) Preventive Oncology Team Observer: Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole (Batch-B2)	09:30 - 10:15
Tea Break			10:15 - 10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Narendra Medical Officer Gotlagattu (Batch-B2)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-B2 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 24.06.2024 to 26.06.2024 (3 days)			
Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-4 , First Floor , GMC Ongole (Batch-B3)	Time
Day 1 (24.06.2024) Preventive Oncology Team Observer:Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introduction to Cancer Screening	Dr. Narendra, Medical Officer Gotlagattu (Batch-B3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	10:00 - 11:00
	Burden of the Cancers in India and		
	Pathway of the screening and		
	Target Population for Screening		
	Role of Institutes		
Tea Break			11:00 - 11:15
Session 2	Anatomy of Oral Cavity	Dr. J. Chandrakala DAS, CHC Darsi (Batch-B3) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancersous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 - 02:00
Session 3	Anatomy of Breast	Dr. G.V. Hema sudha, OBG CHC Pamuru (Batch-B3) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 - 04:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment		
	Videos and Case Scenarios		
Tea Break			04:00 - 04:15
	Recap of Day 1		04:15 - 04:45
Day 2 (25.06.2024) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix	Dr. G.V. Hema sudha, OBG CHC Pamuru (Batch-B3) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment		
	Videos and Case Scenarios		
Tea break			10:45 - 11:00
	Group to be divided into 3 groups for	Respective Department On Rotation	

Session 5	Group 1: to ward for Oral	each group to 3 wards (60 min in each department) OBG Department, Dental Department and General Surgery Department	11:00 - 02:00
	Group 2: to ward for Breast		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Narendra Medical Officer Gotlagattu (Batch-B3)	02:30 - 03:00
Session 7	Hypertension	Dr. Narendra Medical Officer Gotlagattu (Batch-B3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Narendra Medical Officer Gotlagattu (Batch-B3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (26.06.2024) Preventive Oncology Team Observer: Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology			
Recap of Day 1 and 2			09:00 - 09:30
Session 9	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole (Batch-B3)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 10	Group to be divided into 3 groups for	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral		
	Group 2: to ward for Breast		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Narendra Medical Officer Gotlagattu (Batch-B3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-A4 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 01.07.2024 to 03.07.2024 (3			
Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A5)	Time
Day 1 (01.07.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam , Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral Target Population for Screening Role of Institutes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 - 11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancersous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr Varalakshmi, DAS, CHC Kondepi (A-5), Moderator- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery	11:15 - 01:00
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment Videos and Case Scenarios	Dr G.V. Hema Sudha- OBG, CHC Pamuru (A-5), (Batch-A5) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2(02.07.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment Videos and Case Scenarios	Dr G.V. Hema Sudha- OBG, CHC Pamuru (A-5)/ Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 -11:00
	Group to be divided into 3 groups for Hands Group 1: to ward for Oral Examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG	

Session 5	Group 2: to ward for Breast examination	Department, Dental Department and General Surgery Department	11:00 - 01:30
	Group 3: to ward for Cervical examination		
Lunch Break			01.30 to 02.15
Session 6	Clinico Pathological Aspects of Oral, Breast and Cervical Cancers	Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole	2.15 to 2.30pM
Session 7	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A5)	02:30 - 03:00
Session 8	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 9	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (03.07.2024)Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoor ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session 10	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist (Batch-A5)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 11	Group to be divided into 3 groups for Hands	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 01:30
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			01:30 - 02:30
Session 12	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 13	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-B4 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 01.07.2024 to 03.07.2024 (3

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-4 , First Floor , GMC Ongole (Batch-B5)	Time
Day 1 (01.07.2024) Preventive Oncology Team Observer:Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam , Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Anatomy of Breast	Dr. Rekha Devi, OBG CHC Podili (Batch-B5) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	10:00 to 11:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment		
Tea Break			11:00 - 11:15
Session 2	Anatomy of Oral Cavity	Dr. SK. Basanthi DAS, CHC Podili (Batch-B5) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancersous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 -02:00
Session 3	Introdcutio n to Cancer Screening Program	Dr. Narendra, Medical Officer Gotlagattu (Batch-B-5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	02:00 -04:00
	Burden of the Cancers in India and Andhra		
	Pathway of the screening and referral		
	Target Population for Screening		
	Role of Institutes		
	Videos and Case Scenarios		
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (02.07.2024)) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix	Dr. Rekha Devi, OBG CHC Podili (Batch-B5 / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment		
	Videos and Case Scenarios		
Tea break			10:45 -11:00
Session	Group to be divided into 3 groups for	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental	
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		

5	Group 3: to ward for Cervical examination	Department and General Surgery Department	11:00 - 01:30
Lunch Break			01:30 - 02:15
Session 6	75 by 25 Initiative	Dr. Narendra Medical Officer Gotlagattu (Batch-B5)	02:30 - 03:00
Session 7	Hypertension	Dr. Narendra Medical Officer Gotlagattu (Batch-B5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Narendra Medical Officer Gotlagattu (Batch-B5)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (03.07.2024) Preventive Oncology Team Observer: Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology			
Recap of Day 1 and 2			09:00 - 09:30
Session 9	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole (Batch-B5)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 10	Group to be divided into 3 groups for	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	Clinico Pathological Aspects of Oral, Breast and Cervical Cancers	Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole	2.15 to 2.30PM
Session 12	CBAC and NCD Portal	Dr. Narendra Medical Officer Gotlagattu (Batch-B5/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-A2 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 24.06.2024 to 26.06.2024 (3			
Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A3)	Time
Day 1 (24.06.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introductuon to Cancer Screening	Dr. Nabivali Medical officer PHC NG Padu (Batch-A3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
	Burden of the Cancers in India and		
	Pathway of the screening and referral		
	Target Population for Screening		
	Role of Institutes		
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity	D K. Srinivasa Reddy- Assistant Professor in Oral and Maxiofacial Surgery GGH Ongole (A-3), Moderator- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancersous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast	Dr. A. Priyanka , OBG, MCH Ongole (Batch-A3) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment		
	Videos and Case Scenarios		
Tea Break			04:00 -04:15
	Recap of Day 1		04:15 - 04:45
Day 2 (25.06.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC			
Session 4	Anatomy of Cervix	Dr. A. Priyanka , OBG, MCH Ongole (Batch-A3) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment		
	Videos and Case Scenarios		
Tea break			10:45 -11:00
	Group to be divided into 3 groups for	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department Dental	
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast		

Session 5	Group 3: to ward for Cervical examination	Department and General Surgery Department	11:00 - 02:00
Lunch Break			02:00 - 02:30
Session 6	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A3)	02:30 - 03:00
Session 7	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (26.06.2024) Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoor ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session G	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist (Batch-A3)	09:30 - 10:15
Tea Break			10:15 - 10:30
Session 10	Group to be divided into 3 groups for	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A3)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 12	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-A6 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 04.07.2024 to 07.07.2024 (3			
Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A6)	Time
Day 1 (04.07.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam , Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program	Dr. Nabivali Medical officer PHC NG Padu (Batch-A6)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
	Burden of the Cancers in India and Andhra		
	Pathway of the screening and referral		
	Target Population for Screening		
	Role of Institutes		
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity	Dr. K. Srinivasa Reddy Assistant Professor, GGH Ongole (A-6), Moderator- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancerous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast	Dr. K. Priyanka, OBG, MCH, Ongole (Batch-A6) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment modalities		
	Videos and Case Scenarios		
Tea Break			04:00 -04:15
	Recap of Day 1		04:15 - 04:45
Day 2(05.07.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole			
Session 4	Anatomy of Cervix	Dr. K. Priyanka, OBG, MCH, Ongole (A-6)/ Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment modalities		
	Videos and Case Scenarios		
Tea break			10:45 -11:00
	Group to be divided into 3 groups for Hands	Respective Department On Rotation each group to 3 wards (40 min in each department) OBG	
	Group 1: to ward for Oral Examination		

Session 5	Group 2: to ward for Breast examination	Department, Dental Department and General Surgery Department	11:00 - 01:30
	Group 3: to ward for Cervical examination		
Lunch Break			01.30 to 02.15
Session 6	Clinico Pathological Aspects of Oral, Breast and Cervical Cancers	Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole	2.15 to 2.30
Session 7	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A6)	02:30 - 03:00
Session 8	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A6)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 9	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A6)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (06.07.2024)Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoer ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session 10	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist (Batch-A6)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 11	Group to be divided into 3 groups for Hands	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 01:30
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			01:30 - 02:30
Session 12	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A6)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

BATCH-B6 , Agenda for Training on Comprehensive Health Care- Cancer Screening Program - Primary Health care Providers 04.07.2024 to 06.07.2024 (3 days)			
Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-4 , First Floor , GMC Ongole (Batch-B6)	Time
Day 1 (04.07.2024) Preventive Oncology Team Observer:Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam , Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program	Dr. Narendra, Medical Officer PHC Gotlagattu (Batch-B-6)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	10:00 to 11:00
	Burden of the Cancers in India and Andhra		
	Pathway of the screening and referral		
	Target Population for Screening		
	Role of Institutes		
	Videos and Case Scenarios		
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity	Dr. G. Ramya DAS, CHC Chimakurthy (Batch-B6) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancerous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast	Dr. B. Swetha, OBG,CHC Chimakurthy (Batch-B6) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment modalities		
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (05.07.2024)) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix	Dr. B. Swetha, OBG,CHC Chimakurthy (Batch-B6) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers

Special Batch-Agenda for Training on Comprehensive Health Care- Cancer Screening Training Programme - PHC and UPHe Staff- 29.10.2024

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Reading Room, Ground Floor, GMC Ongole	Time
	Registration		09:00AM - 09:20AM
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam , Dr. G. Sudhakar Vice Principal GMC Ongole, Dr. B. Madhavilatha CS RMO GGH Ongole, Dr. B. Sreedevi, Professor & Head Department of Community Medicine and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20AM - 09:40AM
	Pre-test	Online	09:40AM - 10:00AM
Session 1	Introduction to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes Videos and Case Scenarios	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	10:00AM to 10.30AM
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancersous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video	Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole / Moderator Dr. N. Kiran Kumar, Professor & Head Department of Oral and Maxiofacial Surgery GGH Ongole	10.30AM to 11.00AM
Session 3	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. Priyanka, OBG,MCH Ongole / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	11:00AM - 11.30AM
Session 4	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination Group 2: to ward for Breast examination Group 3: to ward for Cervical examination	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department, Dental Department and General Surgery Department	11:30AM- 1.00PM
Lunch Break			01:00PM -02:00PM
Session 5	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities	Dr. Priyanka, OBG,MCH Ongole / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00PM -2.30PM
Session 6	Hypertension Diagnosis of Hypertension Measuring Blood pressure Treatment and follow up	Dr. Narendra Medical Officer PHC Gotlagattu (Batch-B8)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:30PM
Session-7	Pathological Aspects of Oral, Breast and Cervical Cancer	Dr. Priya Madhooli	03.30PM to 03.45 PM
Session 8	Diabetes Diagnosis of Hypertension Common errors in using Glucometer Treatment and follow up	Dr. Narendra Medical Officer PHC Gotlagattu / Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03.45PM - 04.00PM

Session 9	CBAC and NCD Portal	Dr. Narendra Medical Officer PHC Gotlagattu / Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00PM - 04:30PM
Session 10	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr. Kishan Babu Surgical Oncologist GGH Ongole	04:30PM - 04:45PM
	Post Test		04:45PM - 05:00PM
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

**BATCH-A4 , Agenda for Training on Comprehensive Health Care- Cancer
Screening Program - Primary Health care Providers 27.06.2024 to 29.06.2024 (3**

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Medical Education Unit Hall Ground Floor , GMC Ongole (Batch-A4)	Time
Day 1 (27.06.2024) Preventive Oncology Team Observer: Dr S. Sri Harsha Associate Professor in General Surgery			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program Burden of the Cancers in India and Andhra Pathway of the screening and referral system Target Population for Screening Role of Institutes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu Assistant Professor Surgical Oncologist	10:00 - 11:00
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity Risk factors for Oral Cancers Oral Pre cancersous lesions Screening Oral cavity for Cancers Oral Visual Inspection Video Case Scenarios	Dr J. Chandrakala- DAS CHC Darsi (A-4), Moderator- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery	11:15 - 01:00
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast Risk factors for Breast Cancers Sign and symptoms of Breast Cancers Screening for Breast Cancers Breast Self Examination Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. S.L. Poojitha, OBG, CHC Darsi (Batch-A4) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (28.06.2024) Preventive Oncology Team Observer: Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole			
Session 4	Anatomy of Cervix Risk factors for Cervical Cancers Sign and symptoms of Cervical Cancers Screening Cervical Cancers Visual Inspection with Acetic acid Brief on Diagnostic and treatment modalities Videos and Case Scenarios	Dr. S.L. Poojitha, OBG, CHC Darsi (Batch-A4) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
Tea break			10:45 -11:00
	Group to be divided into 3 groups for Hands on Group 1: to ward for Oral Examination	Respective Department On Rotation each group to 3 wards (40 min in each department) OBG	

Session 5	Group 2: to ward for Breast examination	Department, Dental Department and General Surgery Department	11:00 - 01.30
	Group 3: to ward for Cervical examination		
Lunch Break			01.30 to 02.15
Session 6	Clinico Pathological Aspects of Oral, Breast and Cervical Cancers	Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole	2.15 to 2.30pM
Session 7	75 by 25 Initiative	Dr. Nabivali Medical officer PHC NG Padu (Batch-A4)	02:30 - 03:00
Session 8	Hypertension	Dr. Nabivali Medical officer PHC NG Padu (Batch-A4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 9	Diabetes	Dr. Nabivali Medical officer PHC NG Padu (Batch-A4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (29.06.2024) Preventive Oncology Team Observer: Dr. B. Maruthi Rao Assistant Professoer ENT			
Recap of Day 1 and 2			09:00 - 09:30
Session 10	Cancer Care: Facts, Counseling, and Communication	Dr A. Kishan Babu Assistant Professor Surgical Oncologist (Batch-A4)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 11	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 01:30
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			01:30 - 02:30
Session 12	CBAC and NCD Portal	Dr. Nabivali Medical officer PHC NG Padu (Batch-A4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15
Session 13	Discussions	All trainers	04:15 - 04:30
	Post Test		04:30 - 05:00
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

**BATCH-B4 , Agenda for Training on Comprehensive Health Care- Cancer
Screening Program - Primary Health care Providers 27.06.2024 to 29.06.2024 (3**

Day 1 (27.06.2024) Preventive Oncology Team Observer:Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology			
	Registration		09:00 - 09:20
	Inauguration : Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr. D.Suresh Kumar DM& HO Prakasam Dr.S.N , Murthy DCHS Prakasam District, Dr. G. Sudhakar Vice Principal GMC Ongole,Dr. B. Sreedevi Professor & Head Department of Community Medicine GMC Ongole and Dr. S. Bhagiradhee NCD Programme officer Prakasam District		09:20 - 09:40
	Pre-test	Online	09:40 - 10:00
Session 1	Introdcution to Cancer Screening Program	Dr. Narendra, Medical Officer Gotlagattu (Batch-B4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr A. Kishan Babu, Assistant Professor Surgical Oncologist	10:00 - 11:00
	Burden of the Cancers in India and Andhra		
	Pathway of the screening and referral system		
	Target Population for Screening		
	Role of Institutes		
Tea Break			11:00 -11:15
Session 2	Anatomy of Oral Cavity	Dr. G. Ramya DAS, CHC Chimakurthy(Batch-B4) /Moderators- Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery & Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole	11:15 - 01:00
	Risk factors for Oral Cancers		
	Oral Pre cancersous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
	Case Scenarios		
Lunch Break			01:00 -02:00
Session 3	Anatomy of Breast	Dr. B. Swetha , OBG CHC Chimakurthy (Batch-B4) / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00 -04:00
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment modalities		
	Videos and Case Scenarios		
Tea Break			04:00 -04:15
Recap of Day 1			04:15 - 04:45
Day 2 (28.06.2024) Preventive Oncology Team Observer: Dr. N. Kiran Kumar , Professor& Head Department of Oral and Maxiofacial Surgery GGH Ongole			
Session 4	Anatomy of Cervix	Dr. B. Swetha , OBG CHC Chimakurthy (Batch-B4) / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	09:00 - 10:45
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment modalities		
	Videos and Case Scenarios		
Tea break			10:45 -11:00
Group to be divided into 3 groups for Hands on		Respective Department On	

Session 5	Group 1: to ward for Oral Examination	Rotation each group to 3 wards (60 min in each department) OBG Department, Dental Department and General Surgery Department	11:00 - 01.30
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			01:30 - 02:15
Session 6	75 by 25 Initiative	Dr. Narendra Medical Officer Gotlagattu (Batch-B4)	02:30 - 03:00
Session 7	Hypertension	Dr. Narendra Medical Officer Gotlagattu (Batch-B4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:45
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Tea Break			03:45 - 04:00
Session 8	Diabetes	Dr. Narendra Medical Officer Gotlagattu (Batch-B4)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00 - 04:45
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
	Recap		04:45 - 05:00
Day 3 (29.06.2024) Preventive Oncology Team Observer: Dr.P. Moses Ezra Raghavan Assistant Professor in Radiology			
Recap of Day 1 and 2			09:00 - 09:30
Session 9	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole (Batch-B4)	09:30 - 10:15
Tea Break			10:15 -10:30
Session 10	Group to be divided into 3 groups for Hands on	Respective Department On Rotation each group to 3 wards OBG Department, Dental Department and General Surgery Department	10:30 - 02:00
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			02:00 - 02:30
Session 11	Clinico Pathological Aspects of Oral, Breast and Cervical Cancers	Dr. S.Priya Madhooli Assistant Professor Pathology GMC Ongole	2.15 to 2.30pM
Session 12	CBAC and NCD Portal	Dr. Narendra Medical Officer Gotlagattu (Batch-B4/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	02:30 - 04:00
Tea Break			04:00 - 04:15

Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

3rd and 4th Year BSc Nursing Students -Agenda for Training on Comprehensive Health Care- Cancer Screening Programme - 12.11.2024 to 14.11.2024-3 Batches

Coordinator: Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr S. Bhagiradhee NCD Programme officer Prakasam District		Venue: Lecture Gallery-III GMC Ongole	Time
	Registration		09:31AM - 09:40AM
	Pre-test	Online	09:40AM - 10:00AM
Session 1	Introdcutuon to Cancer Screening Program	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	10:00AM to 10.30AM
	Burden of the Cancers in India and Andhra		
	Pathway of the screening and referral system		
	Target Population for Screening		
	Role of Institutes		
	Videos and Case Scenarios		
Session 2	Anatomy of Oral Cavity	Dr. Srinivasa Reddy- Faculty Department of Oral and Maxiofacial Surgery GGH Ongole / Moderator Dr. N. Kiran Kumar, Professor & Head Department of Oral and Maxiofacial Surgery GGH Ongole	10.30AM to11 .00AM
	Risk factors for Oral Cancers		
	Oral Pre cancersous lesions		
	Screening Oral cavity for Cancers		
	Oral Visual Inspection		
	Video		
Session 3	Anatomy of Cervix	Dr. Priyanka, OBG,MCH Ongole / Moderator- Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	11:00AM - 11.30AM
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Brief on Diagnostic and treatment modalities		
Session 4	Videos and Case Scenarios	Respective Department On Rotation each group to 3 wards (60 min in each department) OBG Department, Dental Department and General Surgery Department	11:30AM- 1.00PM
	Group to be divided into 3 groups for Hands on		
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
Lunch Break			01:00PM -02:00PM
Session 5	Anatomy of Breast	Dr. Priyanka, OBG,MCH Ongole / Moderator- Dr S. Sri Harsha Associate Professor in General Surgery	02:00PM -2.30PM
	Risk factors for Breast Cancers		
	Sign and symptoms of Breast Cancers		
	Screening for Breast Cancers		
	Breast Self Examination		
	Brief on Diagnostic and treatment modalities		
Session 6	Hypertension	Dr. Narendra Medical Officer PHC Gotlagattu (Batch-B8)/ Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	03:00 - 03:30PM
	Diagnosis of Hypertension		
	Measuring Blood pressure		
	Treatment and follow up		
Session-7	Pathological Aspects of Oral, Breast and Cervical Cancer	Dr. Priya Madhooli	03.30PM to 03.45 PM
Session 8	Diabetes	Dr. Narendra Medical Officer PHC Gotlagattu / Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive ncology Unit , GMC Ongole	03.45PM - 04.00PM
	Diagnosis of Hypertension		
	Common errors in using Glucometer		
	Treatment and follow up		
Session 9	CBAC and NCD Portal	Dr. Narendra Medical Officer PHC Gotlagattu / Moderator- Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole	04:00PM - 04:30PM

Session 10	Cancer Care: Facts, Counseling, and Communication	Dr. B. Thirumala Rao , Nodal officer, Preventive Oncology Unit , GMC Ongole and Dr. Kishan Babu Surgical Oncologist GGH Ongole	04:30PM - 04:45PM
	Post Test		04:45PM - 05:00PM
Note : Professor and Head of Departments are requested to Support Training Teams during Hands on training and Clinical Visits			

3 Days Agenda for Training on Cancer Screening for Bapatla District (05.06.2024 to 07.06.2024)

Coordinator: Dr. B. Thirumala Rao , Nodal officer Unit , GMC Ongole		Preventive Oncology	Venue: Lecture Gallery - 3, First Floor GMC Ongole	Time
Day 1(05.06.2024) WEDNESDAY				
	Registration	Online	9AM TO 9.15 AM	
	Inauguration : Dr. A. Yedukondala Rao, Addl DME & Principal GMC Ongole, Dr G. Durgadevi Medical Superintendent GGH Ongole, Dr.S. Vijayamma DM& HO Bapatla District and Dr. A.V. Seshu Kumar DCHS Bapatla District , Dr. A. Hanuantha Rao CSRMO GGH Ongole Dr. T. Venkateswarlu District Immunization Officer Bapatla District and Dr. M. Sowjanya NCD Programme Officer Bapatla District			9.15AM TO 9.30AM
Session 1	Pre-test	Online	9.30AM to 10AM	
Session 2	Introdcuton to Cancer Screening Program	Dr. A. Yedukondala Rao, Addl DME& Principal GMC Ongole,		
	Medical Oncology-Brief modes on treatment and common side effects			
Session 3	Radiation Oncology -Brief modes on treatment and common side effects		10 AM to 10.45AM	
Session 4	NCD Program in AP	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit		
	Burden of the Cancers in India and Andhra Pradesh			
	Pathway of the screening and referral system (forward and backward)			
	Target Population for Screening			
	Frequency of Screening		10.45AM to 11.30AM	
	Oppurtunistic Screening			
Tea Break				30AM to 11.45 AM
Session 5	Anatomy of Oral Cavity	Dr. N. Kiran Kumar Professor& Head Department of Oral and Maxiofacial Surgery		
	Risk factors for Oral Cancers			
	Oral Pre cancersous lesions			
	Screening Oral cavity for Cancers		1.45 AM to 1 PM	
	Oral Visual Inspection			
	Video			
	Case Scenarios			
Lunch Break				1PM to 1.45PM
Session 6	Anatomy of Breast	Dr S. Sri Harsha Associate Professor General Surgery		
	Risk factors for Breast Cancers			
	Sign and symptoms of Breast Cancers			
	Pre cancersous lesions or Conditions		1.45 PM to 3PM	
	Screening for Breast Cancers			
	Breast Self Examination			
	Video			
	Case Scenarios			
Tea Break				3PM to 3.15 PM
Session 7	Radiology	Dr.P. Moses Ezra Raghavan Assistant Professor in		
	Breast - Ultrasound and Mamography		3.15 PM to 3.45 PM	
Session 8	Preventive Oncology	Dr A. Kishan Babu Assistant Professor Surgical Oncologist		
	Importance of Screening			
	Motivation to undergo screening		4.45 PM to 4.30PM	
	Breaking the bad news			
	Prevention of Cancers			

DAY -2 (06.06.2024) THURSDAY			
Session 1	Anatomy of Cervix	Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology	9.30AM to 10.15 AM
	Risk factors for Cervical Cancers		
	Sign and symptoms of Cervical Cancers		
	Screening Cervical Cancers		
	Visual Inspection with Acetic acid		
	Video		
	Case Scenarios		
Session 1	Group to be divided into 3 groups	Departments of Dental Surgery, OBG and Surgery Departments	10.15 AM to 1.15 PM
	Group 1: to ward for Oral Examination		
	Group 2: to ward for Breast examination		
	Group 3: to ward for Cervical examination		
	On Rotation all groups to all 3 wards(60 min in each department)		
LUNCH BREAK			1.15 PM to 2PM
Session 1	Brief by 4 participants (5 min each)	Dr. B. Thirumala Rao Nodal Officer - Preventive Oncology Unit	2PM to 3 PM
	Topic 1: Cancer screening program		
	Topic 2: Oral Cancer screening		
	Topic 3: Breast Cancer screening		
	Topic 4: Cervical Cancer screening		
Session 1	Pathology	Dr. S.Priya Madhooli Assistant Professor	3PM to 3.30PM
	Oral Cavity Slides		
	Breast - FNAC Report		
	Cervix - Pap smear		
Day- 3 (07.06.2024) FRIDAY			
Session 1	Hands on training to trainees in Oral Examination, Breast Examination and Cervical Examination Dr A. Kishan Babu Assistant Professor in Surgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT		9.30 AM to 11.30AM
Tea Break			11.30AM to 11.45AM
Session 1	Case Scenarios and discussions Dr A. Kishan Babu Assistant Professor in Surgical Oncology, Dr M. Sandhya Rani Professor & Head Obstetrics and Gynaecology, Dr. S. Sri Harsha Associate Professor General Surgery and Dr. B. Maruthi Rao Assistant Professoer ENT and Dr. B. Thirumala Rao Nodal Officer		11.45 AM to 1 PM
LUNCH BREAK			1PM to 2 PM
Session 1	Surgical Oncology - Brief modes on treatment and common side effects	Dr A. Kishan Babu Assistant Professor	2PM to 2.30PM
Session 1	Discussions	All Faculty Preventive	2.30PM to 3PM
Session 1	Post Test	Online	3 PM to 3.30 PM
